ICTC

New to ICTC is Ulysses gastronomy ware from Pillivuyt. It is created from a clay mix which 'allows for the formation of thinner porcelain with extraordinary resistance to thermal and mechanical shock', while a non-porous glaze creates a non-stick surface. Ulysses porcelain is dishwasher, oven and freezer-safe.

AT A GLANCE

Ambiente closed its doors on February 19 after a five-day run at Frankfurt Fair and Exhibition Centre, during which 4,688 exhibitors from 81 countries presented new products, trends and innovations.

"Ambiente 2013 left no doubt that consumption is 'in'. Despite the difficult economic circumstances prevailing in parts of Europe, Ambiente was able to grow on both the exhibitor and visitors sides", said Detlef Braun, member of the executive board of Messe Frankfurt GmbH.
