Food etc

High-summer nibbles and tipples, plus candied caviar that pops on your tongue

EDITED BY NEIL McLENNAN

CORE VALUES

Form meets function (with a little fun added to the mix) in Kuhn Rikon's Colori fruit knives, which do exactly what their designs suggest. There'll be no more scrabbling round in the knife drawer searching for the right implement as there's no mistaking the Apple Knife, Avocado Knife or Strawberry Knife (or what they're to be used for). **£20.25 for a set of three, qvcuk.com**

LEMON AID

Interesting flavour combos and ingredients that epitomise summer are the key to successful barbecuing. M&S hits the jackpot this season with its new Garlic, Lemon and Parsley sardines. Just throw them under the grill or on to the barbecue for five minutes and you've got an instant taste of the Algarve, albeit using sustainably sourced Cornish sardines. **£4 for 375g, marksandspencer.com**

PACKING A PUNCH

This summer, the easiest way to jazz up a simple dessert is by adding a garnish of intense fruit flavour. The tiny pearls of Arom'atic Caviar are bursting with flavours such as Fig and Rose and quite literally explode in your mouth. Yum! **£11 for 50g, jwpltd.co.uk**

LIQUID SUNSHINE

For summer drinking with added ooh la la, you can't go wrong with a Pastis – the cloudy combo of 48 Provençal herbs. The lesser-known artisan brand Henri Bardouin is now available here. Just add water and stir. Santé! **£20.75 for 70cl, waitrose.com**

MAC ON TRACK

The macaron moment just keeps moving on. On Patisserie's Smacs are strips of mini-treats in flavours such as Dulcey Salted Caramel and Charcoal Sesame. Snap off a bite whenever the mood takes you. **£3.80 for 15cm, harveynichols.com**

TOAST RACKS

Bone china and birch, **£20, reikokaneko.co.uk**

Engraved solid oak, **£45, theoakandropecompany.co.uk**

Beech and plastic, **£18, Sebastian Conran for johnlewis.com**

ALSO THIS MONTH... Murdering a McVitie's is a whole lot more tempting now the iconic Jaffa Cake is available in a giant, er, cake-sized version. Find the Big One, **£7**, at Asda and Morrisons. • Speaking of cake, check out greatcakeplaces.com, the online guide to the UK's best cake shops, from Inverness to Penzance.
